# FAQ

## HOW WILL MY ORDER BE PACKAGED?

For groups of 8 or more, food is provided on lidded platter trays\*, ready to set out and serve buffet-style. Alternatively, we have afternoon tea stands available for hire for £4 per stand, and can even set out the food onto the stands and provide plates, cutlery and napkins upon request. For groups of 2-7 people, orders are packed into recyclable card boxes, perfect to store away until you're ready to unpack and display! \*Please note lidded platter trays will need to be returned to be washed and reused.

## WHERE DO YOU DELIVER?

Sweet & Fair is based in Gateshead (NE8 3JA). For groups of 8 or more, we can deliver up to 20 miles away at a cost of 45p/mile (each way). For groups of 2-7 people, we can deliver up to approx. 3 miles away for a flat fee of £4. If you prefer to collect, the full street address will be provided when ordering.

## DO YOU CATER FOR DIETARY REQUIREMENTS OR DISLIKES?

We have separate menus for vegan and gluten free diets and our seasonal menus can easily be adapted to suit vegetarians or nut free diets. Please note that whilst we take every care to avoid cross-contamination, gluten and nuts are used in our kitchen and we cannot guarantee food will be free from traces of these allergens. If you don't like something on the menu, let us know and we'll do our best to swap it for something else. For larger orders we can even tailor the entire menu to your taste preferences!

## HOW DO I PLACE AN ORDER?

Please email [abby@sweetandfair.co.uk](mailto:abby@sweetandfair.co.uk) or fill in the form on our contact page with the date/time, delivery postcode, number of people, and any dietary requirements you have. We'll be in touch!
